ABC FRESH CREAM CHEESE

After 45 years of tradition, light texture and full flavor are what make ABC fresh cream cheese the favorite cheese spread of every generation. Completely natural and made from only three ingredients - milk, cream and a bit of salt, ABC is an ideal addition to various salty and sweet combinations; however, it is best known in combination with fresh bread. In addition to the well-known recipe, ABC is also traceable, meaning, it gives all its fans the opportunity to follow its creation from the field to the table. Pamper yourself by choosing from as many as ten different flavors and enjoy every irresistible bite.
